Introduction

Date of meeting	Summary of items discussed	In attendance
15th November 2021	General discussion regarding the module and background behind the assignments.	Doug (Tutor), Alex, Antonios, Kieron, Kike & Sergio

Items Discussed

- **General Discussion of Project Requirements** - As a team, we had a general discussion surrounding the requirements for this module and the deliverables which will be required for the Unit 6 and Unit 11 assignments. We also decided that team meetings would be held on a weekly basis, subject to member availability and discussion items.
