Discussion Topic: Week 1

Read Glisson, W., Andel, T., McDonald, T., Jacobs, M., Campbell, M. & Mayr, J. (2015) **Compromising a Medical Mannequin.** Healthcare Information Systems and Technology (Sighealth).

Answer the following discussion questions:

- What are the major threats and vulnerabilities discussed in the paper?
- How would you mitigate against these?

You should demonstrate that you understand the topic covered and ensure you use references to academic literature (including journals, books, and reports). This activity will provide evidence of your personal growth and your summary post is required in your e-portfolio.

Your initial posting should respond to the question and be at least 200 words long. Your initial post should be labelled "initial post".

Learning Outcomes

Gather and synthesise information from multiple sources (including Internet security alerts and warning sites) to aid in the systematic analysis of security breaches and issues
